# MOUNTING GRAPHIC

## With Snap Profile and Snap Roller (P.1)

**1.** Open the snap profile near the end without any tools.

2. Insert the graphic into the profile and press hard.

3. Open the cover by clicking the two buttons at both ends and take out the internal roller.
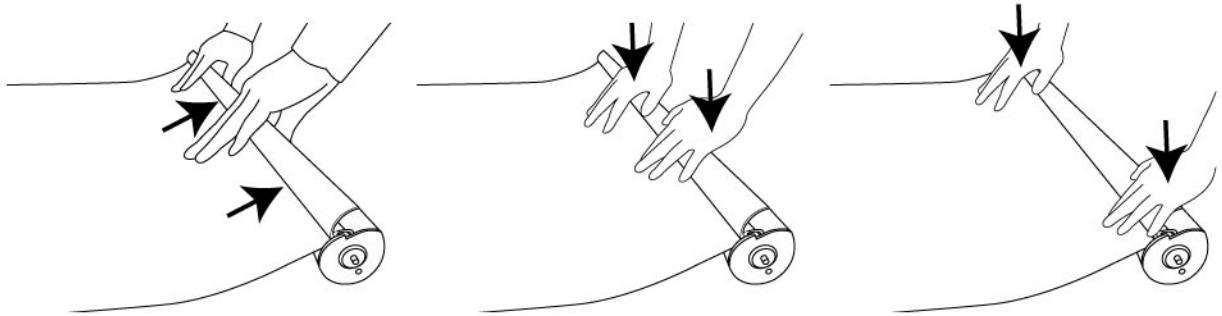

4. Open the snap roller.
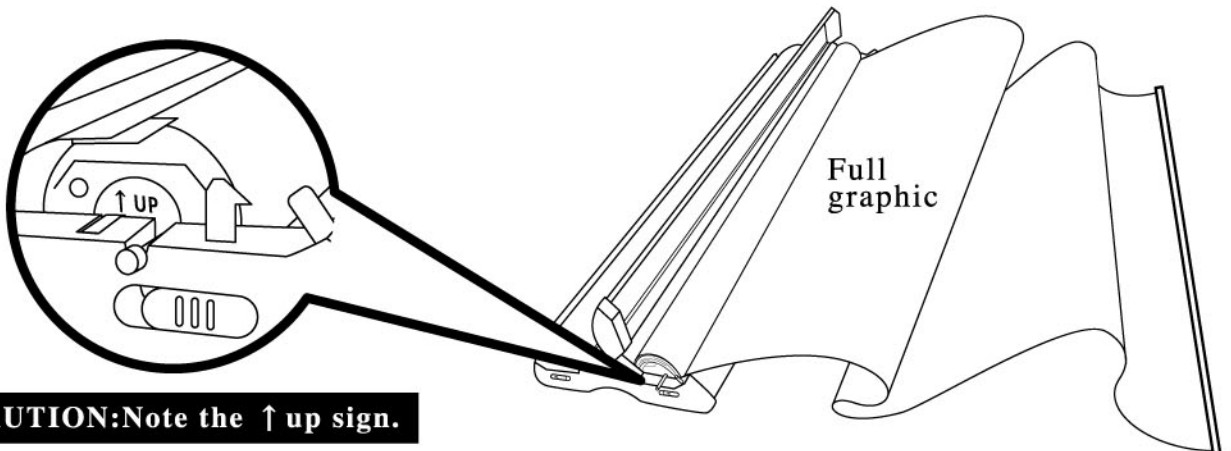

MOUNTING GRAPHIC

With Snap Profile and Snap Roller (P.2)

5. Insert the graphic into the snap roller and press hard along the entire roller until it's firm.

IMPORTANT!

6. Return the roller with graphic into the base. Let the entire graphic lay outside the base. Close the cover.

↑ UP

Full graphic

CAUTION:Note the ↑ up sign.

7. Push the graphic forward slightly to activate the spring system. Remove the locking pin and let the graphic retracts into the system slowly.
