

MAGIC DMVB2

15 mil premium scrim vinyl
banner blockout (*matte*)

PRINTER COMPATIBILITY

DESCRIPTION

Magic DMVB2 is a 15 mil smooth, bright white, aqueous inkjet coated scrim banner. Magic DMVB2 uses the same coating technology as the original Magic DMVB14, providing the same rich blacks, wide color gamut with the same profile and printer settings. DMVB2 will deliver the same water and scratch resistance as well as overall durability as DMVB14.
