

# NEW PRODUCT UPDATE:

## 1 Piece 5" Narrow Channel Letter Raceway

July 2012

Part Number	Part	Length	Finish
1970N	1 Piece 5" Narrow Channel Letter Raceway	24'2"	Mill Finish
1975N	5" Narrow Channel Letter Raceway Lifting Bracket	12'0"	Mill Finish

### Features & Benefits

- New 1 Piece profile design.
- Intermediate screw boss added to accommodate ease of service access for LED power supplies.
- New Lifting Bracket.
- Braces/Brackets slide easily into place without having to clamp the braces into position.
- Braces/Brackets can also be used to mount the power supply. (Allows for the required UL clearance off the bottom).
- Slide in mounting clips.(Top and bottom).
- Drops can be easily joined/spliced together.
- Raceway and Cover can be cut at the same time.
