RETRACTABLE AWNINGS

### ***In the market for a retractable awning?***

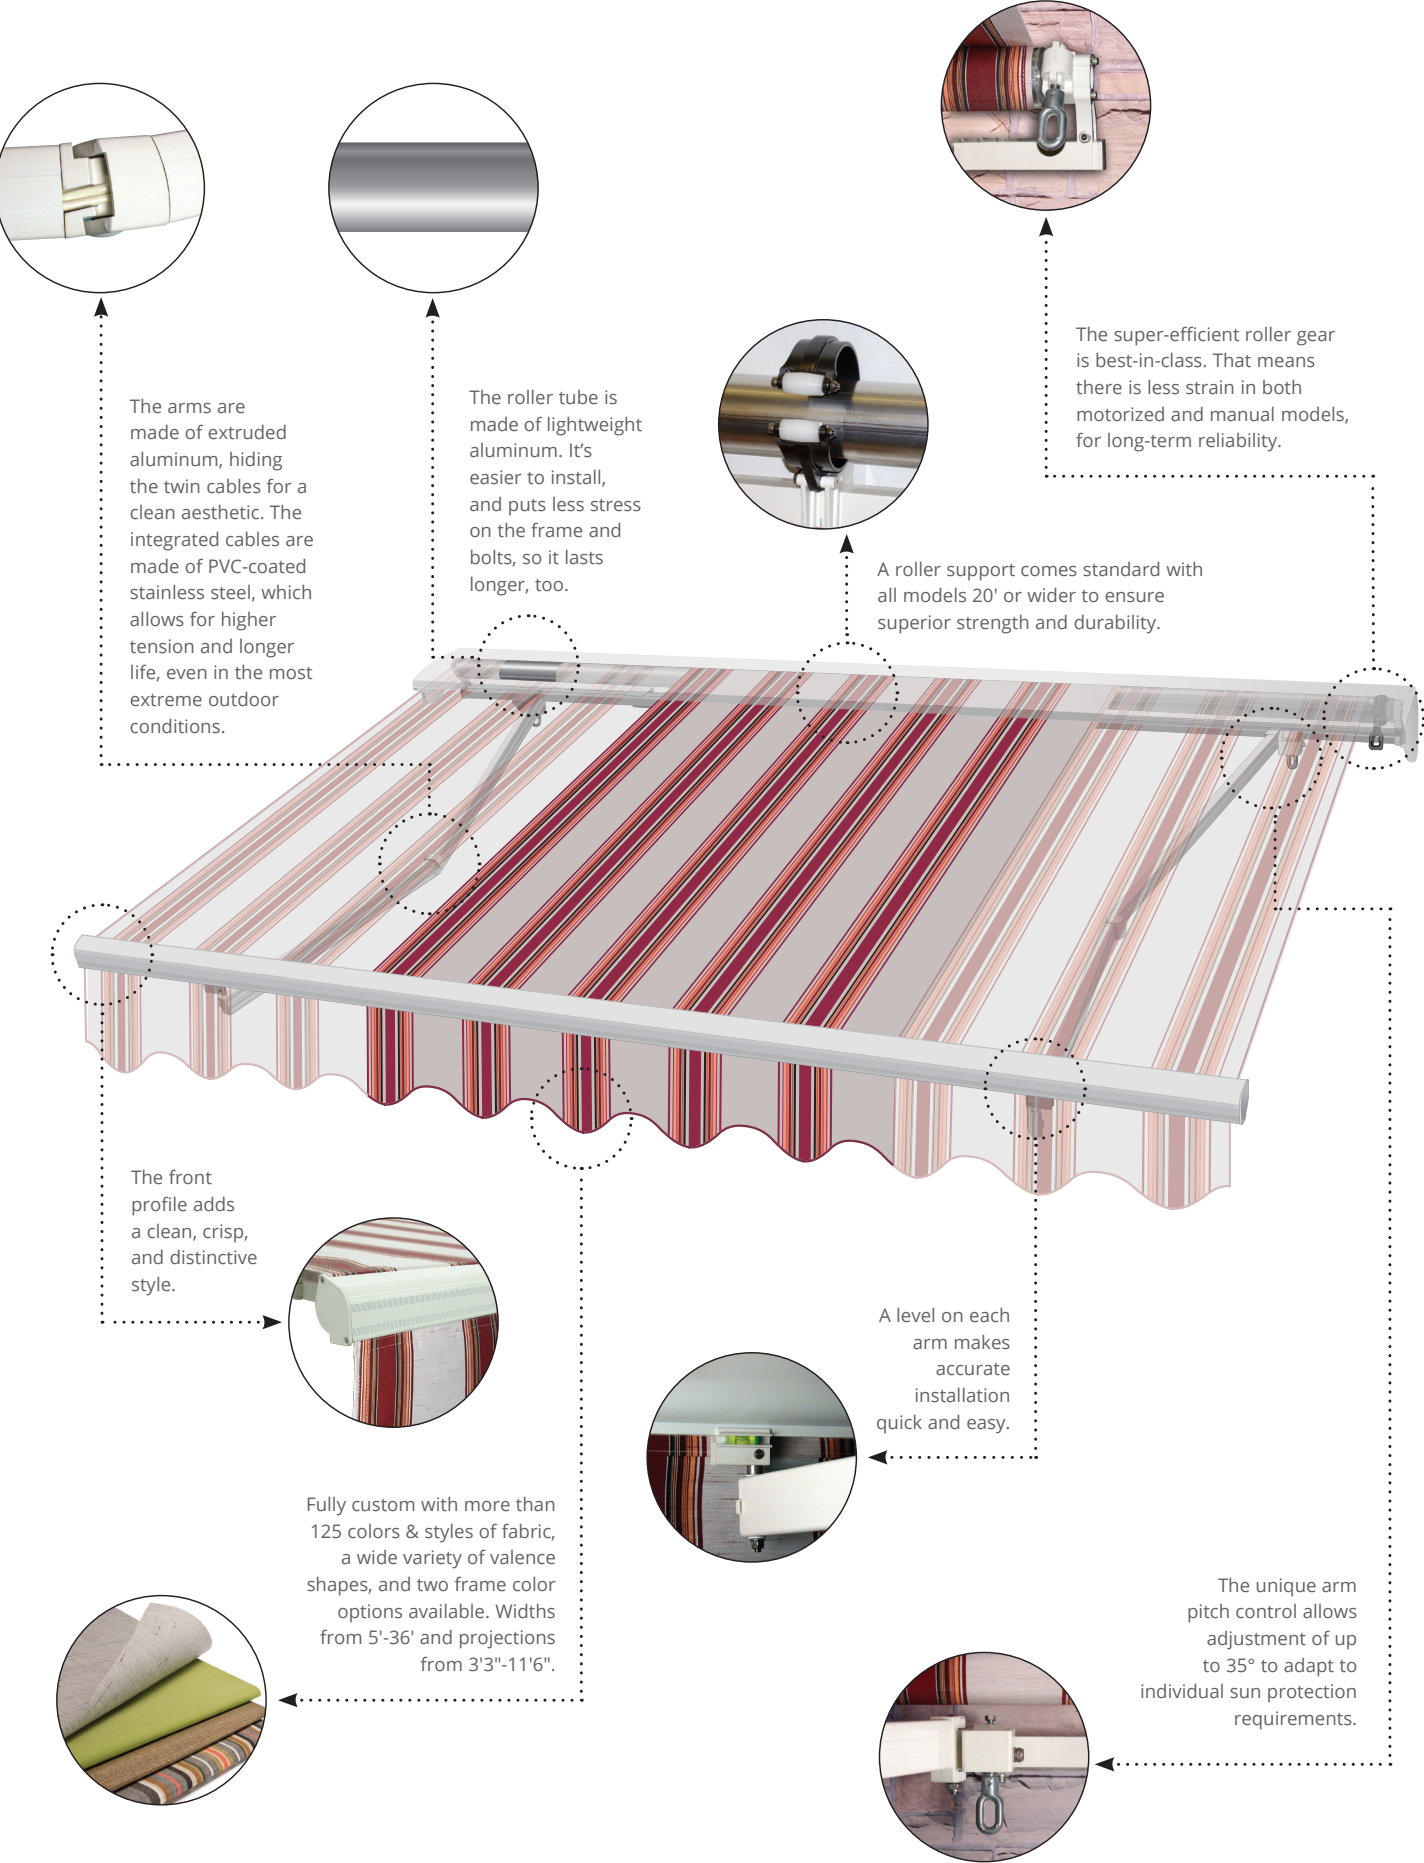

Look no further than Sunsation<sup>™</sup> Retractable Awnings.

Our industry-leading awnings are custom-built for your every need. With widths up to 36' and projections up to 11'6", we have options for every patio, deck, or other outdoor area. Sunsation's high-quality parts will function reliably season after season, while remaining virtually maintenance-free.

For comfort, quality, style, and value, you can't do any better.
