

Black TDFRWKBLK

Results™ **ENVICTA™ Cut** is a low-cost solution with a high-value look and performance. Create personalized shirts, athletic sportswear, hoodies, and more.

Grey TDFRWKGREY

Results™ WIZ Kut is great for lightweight, active sportswear fabric and fashion apparel. It is simple to cut and very easy to weed.

For best nighttime visibility and safety illumination, trust **Results™ SAFETY** reflective film. The film uses glass beads to create the Retro-Reflective effect, with a top layer and protective PET carrier. Create logos, numbers, and letters with maximum illumination for safety wear, emergency, military, and leisure.

Cool Grey TDFRWKCLGRY

Results™ METAL Film is a hot contemporary soft foil film that is easy to cut & easy to weed. The polyurethane film's shiny metallic surface contours to the fabric and remains soft after many washes. Great for nightlife and parties, and when you want to stand out in any crowd.

Pink TDFRWKPINK

Results™ Platinum Print HTV BLOCK is a NEW, Industry technological break-out film with a carbon-charcoal liner that prevents dye-migration and dye-sublimated fabric issues. Achieve your fabric decoration goals and avoid timely mistakes.

Salmon Pink TDFRWKSP

Results™ Glitter CUT is embedded with high-quality polyester flakes which gives this film maximum illumination without flaking, peeling, or cracking. Perfect for cheerleading uniforms and dance teams, or just the ultimate bling and swing.

Sun Red TDFRWKSRED

Results™ AURORA-B is an amazing eye-catching rainbow reflective HTV with a special dazzling effect that is activated when lit up. Enjoy fashion, fun, and festivities with an appearance unlike anything else.

Bright Red TDFRWKBRRD

Results® RPUFF projects an awesome 3D special puff effect that creates eye-catching designs and truly stands out from the competition. Creative fashion, sportswear, fun apparel, youth garments, and more.

Maroon TDFRWKMAROON

Results® Nitelite shines in the dark in 6 amazing colors. The film appears white in the daylight but stands out when the lights go out. You'll look Like a light in the night, six different ways.

Results™ Platinum PRINT OPAQUE™ uses the NEW innovative Thermo-Bonding adhesive for durability and comfort. Personalize virtually any fabric especially polyesters, cotton, blends, and Lycra®/Spandex with high-quality details on a bright white background.

Pumpkin TDFRWKPMKN

Go even farther with **Results™ Platinum Print PLUS** that exceeds decoration boundaries on any fabric. Use for team sports apparel, corporate logos, or photo-quality images. Results™ Platinum Print PLUS is the ultimate printable semi-matte digital film for dark and light-colored fabric decoration.

Ath. Gold TDFRWKAGOLD

Results™ Platinum PRINT CLEAR digital heat transfer film is the ultimate printable see-through matte film for light-colored garments. Personalize any fabric with Results™ Platinum PRINT CLEAR in vibrant color with photographic quality.

Lemon Yellow TDFRWKLMYEL

Results® WIZ GLOSSY is just like our popular WIZ Kut™ but with a high gloss finish. WIZ GLOSSY is the best choice for that one-of-a-kind unique look and is available in 6 high-gloss colors.

Results® Flex-All is the ultimate HTV color vinyl for performance sportswear and high-fashion. Get amazing flexibility with a film that feels like part of the fabric and delivers flexibility, durability, and comfort.

Apple Green TDFRWKAGRN

Experience the fun with **Results® SUNSATIION™** color-changing film in blue, yellow, and red pastel. Sunsatation remains white indoors and turns colors outdoors from the sun's UV rays. This will be a big hit.

Green TDFRWKGREEN

Utilize **Results™ IMPACT Textile foils** to add the ultimate in bling, style, and fashion to make any logo more attractive. The attention-grabbing metallic design sticks to the Kwik ADH and upgrades the value and look of your garments with this simple process.

Sweet Mint TDFRWKSWMN

Apply Results IMPACT Foils over the **Kwik ADH** foil adhesive for high-end fashion creativity. Use on dance costumes and urban wear for the best in nightlife fashion. Apply the foil flat or crinkle it for more texture and design.

Instantly give any design a dazzling look with **Results® Allura Print** that sparkles from the embedded silver particles in the film face. Print and cut photo-quality images, team sports, and corporate logos, and decorate promotional items, all with a sparkle.
