SEG Frames

SEG aluminum frames are a clean, modern way to display signs. Lightweight and cheaper to ship, the frames are very user friendly, quick and easy to assemble, and built to last. Interchangeable graphics can be installed with minimal training by anyone at an associate level, changed as often as needed, and delivers beautiful results every time.

These ready-to-assemble kits are available in single and double-sided frames, wall displays, mounting and hanging. Other parts sold separately: cast

iron legs for standing frames, mounting hardware for wall frames and silicone strips or tape for fabric insertion.

FOR BEST RESULTS USE GDC FRAMES WITH:

DigiFabTex Premium Fabric

A soft polyester fabric that is lightweight and crease-free. Use for double-sided lightbox frames and retail displays.

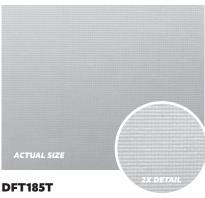

DigiFabTex Premium Fabric

This fabric provides a heftier feel in a heavy-weight knit, and is ideal for table skirts and coverings and backdrop applications.

DigiFabTex Premium Woven Fabric

A specialty woven fabric, DigiFabTex Premium Woven is an excellent choice for backlit applications, and can be printed on with a wide range of printing technologies.

LYETEX

Silicone Edge Tex Tape

Create SEG graphics without an industrial sewing machine with EDGE-Tex Tape from Admiral Tapes. Easily apply EDGE-Tex by hand to the back of printed graphics for a strong bond. Insert into an aluminum frame creating a perfectly taut surface.

GDSE650

Silicone Edge Strip

Silicone Edge Strips are sewn directly onto dyesub fabric edge and inserted into the groove of an aluminum frame. The insertion process is so quick and simple, anyone can do it. Interchangeable graphics can be replaced as often as needed for sleek and attractive advertising.

All statements, technical information, and recommendations listed above shall be used as a guide, based upon an average of test results believed to be reliable, but do not constitute a guarantee or warranty. Purchasers and users should independently test to determine the product's suitability for a particular application and/or print method. Small variations may occur in production. Subject to change without notice.
